- 5.3. Our school's child safe policies, codes of conduct and practices set out our school's commitment to child safety, and the processes for identifying, communicating, reporting and addressing concerning behaviour and allegations of child abuse. These documents establish clear expectations for all staff and volunteers for appropriate behaviour with children in order to safeguard them against abuse.
- 5.4. St Anne's College Kialla has established human resources practices where newly recruited staff, existing staff and volunteers in our college understand the importance of child safety, are trained to minimise the risk of child abuse, and are aware of our college's relevant policies and procedures. St Anne's College Kialla also provides ongoing training, supervision and monitoring of staff to ensure that they are suitable to work with children as part of our human resources practices.

9. Terms of enrolment regarding provision of accurate information
