

Uniform Policy

Introduction

St Anne's College is a Catholic community welcoming all, inspired by a loving God, committed to faith, wisdom and learning.

Central to the mission of St. Anne's College is an unequivocal commitment to fostering the dignity, self-esteem and integrity of children and young people and providing them with a safe, supportive and enriching environment to develop spiritually, physically, intellectually, emotionally and socially.

All policies should be read and action taken as informed by the school's child safe policy.

RATIONALE

A dress code, in particular a uniform, provides a visual connection to identify students as members of St Anne's College community. The way a uniform is worn makes a statement about our college and it represents the fact that the student is a part of the community. Parents can readily access uniforms that are affordable, offer value for money and provide a stress-free choice as children get ready for school. The benefits of a school uniform include:

- Allows all students to feel equal
- Helps prevent bullying and competition on the basis of clothing
- Ensures students appearance reflects the expectations of St Anne's College
- Enhances the profile and identity of St Anne's College and its students in the wider community
- Strengthens the spirit of community within St Anne's College
- Enhances individual student safety and group security
- Ensured all students are dressed safely and appropriately for school activities
- Encourages students to develop pride in their appearance
- Prepares students for the expectations in workplaces
- Encourages students to present themselves appropriately for a particular role
